8:45 am

Explore the Current State of Legislation and the Advancement of Integrated Care

8:45am - 9:30 am

There are various perspectives on integration, both in the state legislature and within the levels of resistance and buy-in from providers. Gain state perspectives on current policies that have the potential to bend the cost curve in behavioral health.

- Stay abreast of different state policies and ensure compliance to state regulations

- Understand the various models and statutes for coverage of specific conditions and treatment for patients with SUD and criminogenic needs

- Discuss the impact of legislation on models of integration
