Easy to make reservations

A mobile application interface for making a reservation. At the top, there are three horizontal bars and a bell icon. The main title "Make Reservation" is displayed prominently. Below it are four input fields: "Name of person" (with a placeholder), "Phone number" (with a placeholder), "Email address" (with a placeholder), and "What time?" (with a placeholder). Below these is a section titled "Who will be joining?" containing three items: "Sarah Marshall", "Farah White", and "Add a person". A red arrow points from the "Add a person" section towards the right side of the screen.

Name of person

Phone number

Email address

What time?

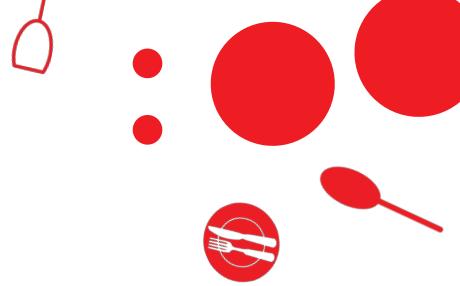

Who will be joining?

- Sarah Marshall
- Farah White
